The National Research Network for Migration and Health

The National Research Network for Migration and Health (NFMH) is an open network encompassing researchers in migration and health in Norway.

Autumn Webinar Series: Methodological Approaches in Migration Studies

We are excited to announce a series of three webinars this autumn, focusing on key methodological topics in migration studies. Each webinar will feature presentations followed by discussions on the following themes:

1. **Cohort Studies and Migration Registries** Friday, October 11, 9:00–10:00 CET
2. **Intervention and Implementation Studies** Friday, November 8, 9:00–10:00 CET
3. **Qualitative Studies** Friday, December 13, 9:00–10:00 CET

Each session will include a discussion on methodological approaches after the presentations. If you are interested in presenting during the webinars, please contact pierina.benavente@uib.no

Here is the Zoom link for the webinar:
